Description

Transform your EYFS learning space into an engaging hub for creativity, literacy development, and fine motor skill-building with our versatile A4 Easy Chalkboards! These simple yet effective boards are designed to encourage mark-

making and letter formation while fostering a love for early years literacy activities. Pop them on reading stations, tuck them into your cosy writing shed, or set them out across your continuous provision. Just add some chalk and watch as children dive into forming letters, creating rhymes to time, or practising their A, B, Cs.
