Description

Looking for a way to bring maths into the action? Look no further than this value pack of tape measures, which will make measuring, counting, and problem-solving an absolute blast. These aren't just toys—these are real measuring tools that allow learners to engage with practical maths in an authentic way. With six tape measures in varying lengths, from 1.5 metres to 5 metres, this set is perfect for any educational setting. And because these are real tools, adult supervision is a must.
