## Description

Children love to splash and play with water so why not add our Space Saving Multi-Sided Waterwall to your outdoor area? A great way to add adventure to outdoor play! This 1.2m-high, compact feature engages children with water flow, guttering, and pipes. Perfect for small outdoor areas or educational spaces, it encourages teamwork, social skills, and sensory learning. Easy to set up, its durable design transforms any space into an interactive splash zone!
