Description

Transform your EYFS outdoor area into a literacy hotspot with our Writing Shed Internal Kit! While the shed itself isn't included, this treasure trove of writing goodies is packed with everything you need to encourage mark-making, storytelling, and fine motor skills activities. It's the ultimate writing area setup for early years, designed to bring literacy to life for your learners. And yes, if you're wondering, there's a clipboard in here for even the most serious of "budding inspectors" in your class.
