Description

Get ready to pump up the fun with our Mobile Pumping Pod! This upgraded version of our original pumping pod lets

children wheel it to their favourite spot and use their muscles to pump water through. It's the perfect blend of fine and gross motor skill development as your children turn pumping into an adventure! With lockable wheels, a tube, a pump, and a recycled drum (or water tray works too!), this portable pump station brings exciting water play to life—without breaking the bank. Perfect for any outdoor play area, it's a splash hit!
