Description

Our Counting Tree Rings are the perfect way to engage children in counting activities while bringing the natural world into your EYFS maths lessons. Each set includes sturdy stumps adorned with numbered tree rings, making them ideal for building early numeracy skills. These rings aren't just for fun – they're an excellent resource to get children familiar with numbers up to 10. They'll love spotting numbers and matching them with the corresponding quantities, whether they're stacking the rings or playing one of the many maths games you'll dream up!
