Description

With these Trellis Tens Frames, learners can dive into early years maths while having a hands-on blast. Whether they're counting leaves, arranging pebbles, or gathering treasures from your classroom or outdoor educational setting, these oversized frames transform basic mathematical skills into a fun, tactile experience. Designed with the Early Years Foundation Stage maths curriculum in mind, this set of four sturdy trellis frames encourages learners to experiment with pattern making, counting, reasoning, and problem solving – all while enhancing their numeracy skills.
