Description

When it comes to teaching numeracy in early years settings, why not keep it natural (and a bit

fun)? This Log Number Counter is here to log some serious learning time. Made from natural wood, this set of 55 stacked discs will help your learners develop their numeracy skills in a hands-on way – and it's as aesthetically pleasing as it is educational. Great for use in the classroom, play areas, or shared spaces, the Log Number Counter offers a fantastic way for children to grasp important mathematical concepts, all while encouraging problem solving and reasoning in a tactile, engaging manner.
