Description

Introduce a whole new world of hands-on exploration with our Hex Wrench & Nut Driver Panels! This set is perfect for inspiring problem-solving minds and fine motor skills in an outdoor setting. Each panel offers a DIY challenge, with a variety of screws, nuts, and bolts that need the right tool—just the thing for budding engineers to get their gears turning! With two screwdrivers, two allen keys, and two spanners, the choices are as diverse as the skills they'll develop.
