Description

Pour a little joy (and maybe a little water) into your classroom with our Pouring Collection! This delightful 10 piece set

brings a world of hands on learning and messy play opportunities. Each pourer has its own quirky charm; kettles for brewing imaginary potions, funnels for precise water channel experiments, and jugs for endless decanting fun. Whether learners are pouring, measuring, or stirring up a café role play scenario, this set promises hours of multi sensory exploration that your children will love.
