Description

Do your learners need a little help with their shape and pattern recognition? Our Maths Shape Trays are here to support those budding mathematicians in your classroom while adding a

touch of charm to your early years maths area. These beautiful wooden trays offer the perfect way to reinforce numeracy skills in a hands-on, interactive way. With four large shapes—triangle, square, circle, and rectangle—ranging from 30 to 50 cm, there's plenty of space for exploration and experimentation.
