## Description

Letter formation can sometimes feel like trying to juggle jelly! Thankfully, our Playground Finger

Tracers bring a tactile, hands-on twist to developing literacy skills. With each one designed to promote letter tracing, they're a fantastic resource for any EYFS writing area, low activity tables or nesting tables. They're the ideal resource for nurturing a love for literacy in early years learners while also encouraging them to strengthen those all-important finger muscles. Who needs the gym when you've got a full alphabet to trace?
