Description

Level up young learners' creativity – literally! Cosy's Small World Islands are the ultimate multi-level canvases for their small worlds. Connect with bridges and ramps or build sea, land, and sky habitats. These two three-tiered tables

inspire endless scenes for imaginative play. Perfect for hands-on learning too: use the top for numeracy or crafts, storing resources below for lessons that flow. From problem-solving to sharing, they're the perfect base for skills-boosting activities in your EYFS classroom.
