Description

Take a break from the traditional dolls house and bring the bustling world of city life into your play space with our Block of Flats Dolls House! This clever creation with a multi-functional set includes four loose crates and two triangle pieces that offer several storeys of playtime fun, designed to reflect the real-life homes many children experience.

This Block Of Flats Dolls House isn't just a dollhouse, it's a whole neighbourhood waiting to be created. And whether it's used in the classroom, nursery, or playground, this versatile and fun piece will inspire your learners to build, imagine, and explore!
