Description

Create a tranquil, inviting atmosphere with our beautifully designed Montessori Emotion Box—perfect for supporting children’s social and emotional development. With the guidance of our Emotion Box, children will learn how to identify their feelings, articulate why they feel a certain way, and begin to understand their emotional landscape. Not only does it foster a better sense of self-awareness, but it’s also a fantastic tool for teachers looking to support early years literacy activities and fine motor skills in a relaxed, interactive environment.
