Description

If you're on the lookout for a fantastic tool to boost literacy skills in the early years, our CVC Wooden Tray is just what you need! This clever little tray is perfect for encouraging learners to explore phonics and word building while having a good time. Designed to hold our new little letters or numbers (sold separately), it's great for developing early literacy skills and fostering a

love for reading. Plus, its compact size (24cm²) means it can be easily stored in your EYFS setting's reading den, low activity tables, or even tucked away in a cosy reading corner.
