**How to look after your furniture ...**

- The recycled plastic our furniture is made from is resistant to a broad range of weather conditions.
- The material is resistant to rot.
- There is no need to apply any special surface treatments and you can clean them with any maintenance that you prefer.
- This can also use a power washer for a more thorough clean. Unlike softwood, recycled plastic will not be damaged by the material.

Our team take great care to make sure your furniture is manufactured to a high standard and this, alongside the recycled plastic material, will ensure many decades of use. It can also be recycled again.
