Description

Take playtime up a gear with our Flexi Road System! This dynamic and versatile set of flexible rubber road strips is perfect for adding depth and creativity to your classroom or outdoor learning environment. Designed to traverse sand dunes, weave under arches and tunnels, and even scale between rustic mountains, these roads inspire imaginative car play like never before. The set includes 2 semi-circles and 4 quadrants, making it easy to create winding highways, sharp turns, and thrilling loops.
