## Description

Part of the @Home Furniture Range, this Grey Sofa Chair and Table Set is made from natural hardwood timber and soft grey cushions—basically, the comfy spot where children can park their bottoms without complaints. Perfect for EYFS and Primary settings, it's tough enough to survive sticky fingers and snack attacks, making reading and

reflection feel less like work and more like a mini break (but don't tell the children!). Ideal for indoor learning areas where serious learning meets serious comfort.
