## Description

Give children every opportunity to explore the magic of reading with the Curiosity Flat Facing Wall Bookcase - Narrow. A sturdy, weatherproof version of our popular front facing bookcases, these are a brilliant option for community libraries, shared school libraries, or for storing books in your outdoor area (just make sure you bring the books inside at the end of the day). These also offer a lovely rustic option for your reading area indoors, and can store other flat resources like clipboards, pencils, pens and whiteboards.
