Description

Curriculum-Aligned: Perfect for Key Stage 1 and Key Stage 2, the kit covers key topics related to animals, habitats, and life cycles, offering practical, interactive learning. Comprehensive Kit: Includes photocopiable teacher notes, student worksheets, and activity cards, making it easy for educators to deliver engaging lessons. Suggested Activities: Packed with activities such as examining seeds, understanding germination, exploring life cycles of mammals, investigating predator-prey relationships, and building a wormery. Group or Individual Work: Suitable for collaborative group work or individual study, allowing for flexible teaching approaches. Easy Storage: Comes in a convenient, lidded Gratnells tray, ensuring that all materials are organised and ready for reuse.
