## Description

All-in-One Lesson Kit: Contains everything you need for a complete learning experience, including well-written, photocopiable teacher notes and student worksheets. Curriculum-Aligned: Designed to meet the needs of both Key Stage 1 and Key Stage 2, ensuring seamless integration into your existing science curriculum. Comprehensive Equipment: Includes a range of components such as pulleys, weights, and forcemeters, perfect for conducting experiments related to gravity, friction, and inertia. Convenient Storage: Packaged in a handy, lidded Gratnells storage tray for easy organization and reuse. Expertly Produced: Developed by curriculum experts and tested by teachers to ensure high-quality, effective educational resources.
